JUDITH C. MCCARTHY
United States Magistrate Judge

**Re: Congregation Rabbinical College of Tartikof, Inc., et al. v.
Village of Pomona, et al., 7:07 CV 6304 (KMK) (JCM)**

Dear Judge McCarthy:

We represent the defendants in the above captioned action.

Pursuant to Your Honor's Rules and Local Rule of Civil Procedure 37.2, we write to request an informal conference with the Court regarding two discovery matters.

The first concerns a third party subpoena served on Rubenstein Associates on February 12, 2014. By way of brief background, in response to Plaintiffs' letter motion to quash, Judge Davison ordered Plaintiffs, who have claimed a privilege, to produce a privilege log and also ordered Rubenstein to produce to Defendants all non-privileged documents without awaiting receipt of the privilege log. (ECF Documents 92 and 93). To date, Defendants have received neither the privilege log or the non-privileged documents. This subject was one of the main matters raised with Judge Karas in the recent joint motion to extend the discovery deadline (ECF Document 98).

The second issue concerns certain documents defendants have asked plaintiffs to produce and which plaintiffs have refused to produce on various grounds. The documents are related to the contractors hired to prepare building plans and studies for the Rabbinical College proposed by plaintiffs.
